

- Many pool ventilation systems fail to provide best conditions
- ESG's expertise in air distribution, ventilation control and energy saving sets higher standards
- Repeatedly confirmed by **satisfied ESG customers:**

ESG

Pool Ventilation

Holyhead and Plas Arthur Leisure Centres

Public swimmers have commented on how more comfortable the pool temperatures are and that they feel warmer when standing in the swimming pool. Overall the pool conditions at both leisure centres have increased tenfold and we would like to thank ESG for their working standards.

Gwyndaf Jones - Isle of Anglesey County Council

King Edward VII Science & Sports College 25m School Pool

ESG system has made an amazing difference to the pool hall and changing room environment. Very pleased with system which has made a sizeable energy and carbon emission saving.

David Riley
College Manager

Westfieldbury Private Pool

System works perfectly, extremely low maintenance. Pool hall warm with no humidity, very happy with running costs and system.

Charlotte Cummings

Sandcastle, Blackpool, Lancashire. Leisure Pool, 2000m² of pool & water features

Conditions are infinitely better than they have ever been before.

Tony McNickle
Maintenance Manager

St Francis' College, Letchworth, Hertfordshire 25m Pool

Noticeable improvement in air quality within pool hall and a significant saving in energy costs.

Mike Collis - Bursar

Merton Hotel, Jersey

Conditions are a lot better than before. Work carried out within timescale and budget - would certainly recommend ESG.

David Renouf
Project and Engineering Manager, Seymours (Services) Ltd

Carnegie Club, Skibo Castle - 20m Exclusive Club Pool

Members have commented on how perfect the ambient temperature was in the pool pavilion, making it a great place to relax and unwind.

Peter Crome
Chairman & MD

Hornchurch Sports Centre, Romford, Essex

Conditions are 100% better.

Kevin Matty
Maintenance Engineer

**Newport Centre,
Newport, South Wales
Leisure Pool with flume
& wave machine**

Pool hall air quality has dramatically improved since the installation and the service ESG provided during the contract was first class.

Tony Ward
Newport City Council

**Embassy Pool,
Skegness, Lincolnshire
25m Pool**

System has achieved everything we hoped for, greatly improved.

Frank Gilliatt
East Lindsey District Council

**Hartsdown Leisure
Centre, Margate, Kent
25m Main Pool &
Teaching Pool**

Hartsdown Leisure Centre system is superb.

Graham Wall
Thanet Leisure

**Heartsease Primary
School, Norwich**

No condensation, warm, temperature stays the same all day. System working well.

Vivien Beaumont
Swimming Instructor

**St Edwards School,
Romford
25m School Pool**

Excellent system, engineers who installed system knew their job and ensured that we knew how to use system before they left. After care service is excellent.

Tony Collins - Manager

**Laura Sevenus Swim
School, Chiswick**

The system is now up and running and it's wonderful! The difference is remarkable - thank you.

Kirsten Sevenus
